# JAZZAMATAZZ

2022 THE PERFORMANCE COLLECTION

# Proudly made in Canada for over 30 years!

## What does that mean?

It means that **we create and craft every single Jazzmatazz costume in Canada**, specifically in our facility in Mississauga, Ontario. No offshore production for us... we are manufacturers, not importers or middlemen. Providing outstanding Canadian made costumes for our Canadian dancers is what we do.

## Why Canadian?

**No exchange rates** — Canadian costumes are priced in Canadian dollars.

**No duties, no tariffs** — Always zero when you buy Canadian and your costumes will never be stuck at the border.

**No brokerage fees** — You know those hefty brokerage bills that often arrive after you've billed your costumes out? Never again...they don't exist when you buy Canadian!

## There is more!

**Quality Control** — Every garment is made right here by our team of skilled professionals to ensure the costumes we produce meet the high standards you have come to expect from a Jazzmatazz costume.

**Customer Service** — We are here for you and you have told us that our customer service is beyond compare.

**Community Benefit** — We create good jobs in our community, which is good for the local economy we all rely on.

## What is the difference between The Performance Collection 2022 and the The Express Collection?

**THE PERFORMANCE COLLECTION** costumes are all made when ordered... beautiful costumes for either competition or show, not to mention a hip hop line that is always on point! We are able to switch up fabrics and small details to give you a custom look without the heavy custom price tag.

**THE EXPRESS COLLECTION** is designed to the perfect recital price point. We start making this collection in the slower season from special purchase fabrics that allow us to offer great costumes at exceptional prices. Quantities are limited only to the fabric available. With thousands of Express Collection costumes in stock and ready to ship, recital ordering or picking up a last-minute group couldn't be easier. With more choice than ever before, the Express Collection is a hit with Canadian studio owners!

## Jazzmatazz has been helping Canadian dancers shine for over 30 years!

Thank you for your recommendations - we take those very seriously!

On behalf of the Jazzmatazz team, we are thankful for the privilege of partnering with you to bring your vision to life.

Glitter! Love it or hate it...everyone has an opinion and we listen to

you! If you are in the no glitter camp, look for the GLITTER FREE emblem throughout the Performance Collection designs! If you love a little glitter, don't worry, we still have you covered..

## A BOY'S OPTION FOR EVERY GIRLS COSTUME!

Just let us know which costumes you need to match, pick a style from our boy's section and we will take care of the rest...

No fuss costuming for your male dancers.

## DANCER'S

### Cover Model

**Hannah Carby** has been at The Dance Pac for three years on the fulltime competitive team and outside of that has been dancing for 9 years. She is a 13 year old dancer and model. This is her second time modeling for Jazzamatazz which she is deeply grateful for. She has also modelled for JadeMoStudio. In February 2020 Hannah was a back up dancer for the Mini Pop Kids Live Show, as part of their Bright Lights Concert Tour in her city. This year dance took a different look and meaning for her. It has become more significant, as she is getting older and thinking of her dance career. Dance is what she sees as her profession, however, she is also interested in the area of psychology. She looks forward to another amazing year!

# THANK YOU

We are truly grateful to work with folks who share our passion for excellence in showcasing our collections! Thank you for always going above and beyond!!

Our Jazzmatazz Family is awesome. Each member of our team, pictured and absent, approaches each day with care, professionalism and a concern for each other that speaks to the power of community. Over the course of the last 18 months together, we have taken on PPE projects and built up our Express stock, so that when the world is ready to sparkle again, so were we. Like the rest of the world, we have felt the anxiety and uncertainty but we have never felt alone. It is with a profound sense of gratitude, that we celebrate the tenacity and grace of each of these women, Marcela Adams, Victoria Armstrong, Hang Bui, Gloria Chiu, Lyuda Chul, Helen Correia, Thuy Ho, Lily Khanh, Huong Le, May Lee, Jennifer Mason, Grace Miranda-Ruiz, Thuy Nguyen, Tina Nguyen, Marta Penate, Nam Pham, Diane Reilly, Chi Tran and Stephanie Vega. We are looking forward to doing what we love and helping dancers shine as they step on stage again.

We are incredibly grateful for the decade long relationship we have with Bill Petro and Kim Thompson of Churchill Digital. Bill is a celebrated photographer with decades of experience in commercial photography. Kim is a highly accomplished graphic artist and we have frankly lost count of how many eyes and limbs Kim has switched out over the years when everything else in the shot was just right. Neither of them will tell you how fantastic they are, they just go ahead and show you. We are profoundly grateful for their unusual mix of excellence and humility.

Caroline CB Buzzanga is another strong female entrepreneur that we have had the privilege of working with for the last decade. CB and her remarkable team of hair and makeup artists are our official "Glam Squad" and we are so very grateful for them. A leader in her industry, Caroline has been working in the bridal, film, television and print arenas for the last two decades. She is gracious, dedicated and has a passion for helping people feel confident and beautiful, on set or in her salon. [www.creativelybeautiful.com](http://www.creativelybeautiful.com)

MEASURING TIPS

Always measure as close to the body as you can. Your dancer should be in a bodysuit or other close fitting dancewear.

Never use the girth measurement alone to size your dancer.

You will always get a superior fit if you take all measurements into account. If your dancer needs few extra inches in the girth or leg length - no problem, just ask us. We are happy to help!

**BUST**  
Measure the fullest part of the chest.

**WAIST**  
Measure the smallest part of the mid section.

**HIP**  
Measure around the fullest part of the hip line.

**GIRTH**  
Secure tape measure at the shoulder, take the tape down the body, through the legs and back up to the same shoulder point at the back. Once your tape has met the start point, press tape into the small of the back — a sway back can add several inches to the girth measurement.

**OUTSEAM**  
Measure from waistline to floor, without shoes.

Still not comfortable measuring?

We do offer sizing kits. Each kit contains one bodysuit in each of our 19 sizes. A supplementary kit contains one pair of shorts in each of our 19 sizes. Please call us or visit the sizing section of our website for details.

A WORD ABOUT OUR PLUS SIZE PROGRAM

This is a specialized program for children with broader dimensions to ensure a great fitting costume, whatever the body type. It is not for children who need extra length in girth. Please do order carefully - we will no longer offer exchanges in our plus size program.
