JAZZAMATAZZ

The Express Collection

Grateful to be the **Made In Canada Solution** for Canadian Dancers for over 30 years!

Over the past couple of years, we have all worked harder just to survive than ever before. It is time to take a moment and appreciate the resilience that is in all of us and prepare to thrive. There are record numbers of little dancers just starting on their dance journeys. We know you are ready to teach and mentor this new generation and we are ready to help them shine as they step on the stage.

We were humbled and honoured by the staggering number of referrals we received from you last year. We treasure those referrals and regard them as a call to excellence. We know there are bright days ahead of us as we collectively restore our Canadian Dance Community. We are thankful to be on that journey with you!

WE ARE CANADIAN! Not just sold in Canada but made in Canada too! Clear pricing in Canadian dollars with no customs, no brokerage, no fluctuating exchange rates...just the assurance of a really great costume at a really great price! Bonus...Your costumes will never be stuck at the border or in a container.

Quantities are limited only by the fabrics available. If you see something you love, early ordering is your best option.

GLITTER! Love it or hate it...everyone has an opinion and we listen to you. If you are in the no glitter camp, look for the **GLITTER FREE** emblem on over 200 Express Collection designs for both your male and female dancers! If you love a little glitter, don't worry, we still have you covered.

Thousands of our Express Costumes are in stock and ready to ship. In our 10,000 square foot facility in Mississauga, we have dedicated Express Collection production lines! This means inventory is constantly being added to throughout most of the season. Check our website for current inventory levels.

From first recital steps to stepping back onto the competitive stage, our 2023 Collections are filled with fresh new designs that stand alone or act as a perfect canvas for embellishment. We believe you don't have to choose between quality and value. We are a little obsessed with lining and banding but we hear you like that about us. Your dancers can step confidently onto the stage in a well made costume without breaking the bank. For fabulous recital price points or flexibility on that last minute group, the Express Collection is your Made In Canada solution.

We hear from you that your dancers felt special and their parents were happy with their Jazzamatazz costumes and that freed you up to focus on bringing your vision to life. From our production team to our client care team, we take that responsibility very seriously!

On behalf of the Jazzamatazz team, we feel privileged to know that many of our studio owners wore Jazzamatazz costumes when they were students themselves. We thank you for choosing our team to partner with your teams for over 30 years!

Please order the size that includes the majority of your dancer's measurements. If you have a tall dancer, you can add inches to the girth or leg length for a small upcharge.

MEASURING TIPS

Always measure as close to the body as you can.
Your dancer should be in a bodysuit or other close fitting dancewear.

A WORD ABOUT SIZING

NEVER USE THE GIRTH MEASUREMENT ALONE TO SIZE YOUR DANCER.
