JAZZAMATAZZ

2023 THE PERFORMANCE COLLECTION

Proudly Made in Canada for Over 30 years!

What does that mean?

It means that **we create and craft every single Jazzmatazz costume in Canada**, specifically in our facility in Mississauga, Ontario. No offshore production for us... we are manufacturers, not importers or middlemen. Providing outstanding Canadian made costumes for our Canadian dancers is what we do.

Why Canadian?

No exchange rates — Canadian costumes are priced in Canadian dollars.

No duties, no tariffs — Always zero when you buy Canadian and your costumes will never be stuck at the border.

No brokerage fees — You know those hefty brokerage bills that often arrive after you've billed your costumes out? Never again...they don't exist when you buy Canadian!

There is more!

Quality Control — Every garment is made right here by our team of skilled professionals to ensure the costumes we produce meet the high standards you have come to expect from a Jazzmatazz costume.

Customer Service — We are here for you and you have told us that our customer service is beyond compare.

Community Benefit — We create good jobs in our community, which is good for the local economy we all rely on.

What is the difference between The Performance Collection 2023 and the The Express Collection?

THE PERFORMANCE COLLECTION costumes are all made when ordered... beautiful costumes for either competition or show, not to mention a hip hop line that is always on point! We are able to switch up fabrics and small details to give you a custom look without the heavy custom price tag.

THE EXPRESS COLLECTION is designed to the perfect recital price point. We start making this collection in the slower season from special purchase fabrics that allow us to offer great costumes at exceptional prices. Quantities are limited only to the fabric available. With thousands of Express Collection costumes in stock and ready to ship, recital ordering or picking up a last-minute group couldn't be easier. With more choice than ever before, the Express Collection is a hit with Canadian studio owners!

Jazzmatazz has been helping Canadian dancers shine for over 30 years!

Thank you for your recommendations - we take those very seriously!

On behalf of the Jazzmatazz team, we are thankful for the privilege of partnering with you to bring your vision to life.

you are in the no glitter camp, look for the GLITTER FREE emblem throughout the Performance Collection designs! If you love a little glitter, don't worry, we still have you covered..

A BOY'S OPTION FOR EVERY GIRLS COSTUME!

Just let us know which costumes you need to match, pick a style from our boy's section and we will take care of the rest...

THE STORY CONTINUES - We love these customizations! By adding an apron and button details as well as the chef's hat, you have cooked up a totally different story. By changing the plain mystique for a print, you are telling a Cool Yule story. The possibilities are endless...what about the print on page 58 with a silver sequin and navy crinoline... or the polka dot on page 40 with a bright pink sequin and black crinoline. What story can we help you tell?

THANK YOU

We are truly grateful to work with folks who share our passion for excellence in showcasing our collections! Thank you for always going above and beyond!!

Our Jazzamatazz Family is awesome! Each member of our team, pictured or absent, approaches each day with care, professionalism and a concern for each other that speaks to the power of community. Together, we have weathered the storm and are ready to step boldly into the recovery phase we are fortunate enough to be entering into. These folk are the reasons you have confidently recommended us to your colleagues and we are so grateful for that. We also feel driven to honour those referrals and earn them afresh each year. We celebrate the grace, the care, the work ethic and sense of community that each of our team members brings each and every day. A heartfelt thank you to each of these remarkable women, Marcela Adams, Victoria Armstrong, Hang Bui, Gloria Chiu, Lyuda Chul, Helen Correia, Thuy Ho, May Lee, Jennifer Mason, Grace Miranda-Ruiz, Maria Moore, Tam Nguyen, Thuy Nguyen, Tina Nguyen, Marta Penate, Nam Pham, Diane Reilly and Stephanie Vega. We are looking forward to doing what we love and helping Canadian dancers shine as they step on stage this season.

We are incredibly grateful for the decade long relationship we have with Bill Petro and Kim Thompson of Churchill Digital. Bill is a celebrated photographer with decades of experience in commercial photography. Kim is a highly accomplished graphic artist and we have frankly lost count of how many eyes and limbs Kim has switched out over the years when everything else in the shot was just right. Neither of them will tell you how fantastic they are, they just go ahead and show you. We are profoundly grateful for their unusual mix of excellence and humility.

Caroline CB Buzzanga is another strong female entrepreneur that we have had the privilege of working with for the last decade. CB and her remarkable team of hair and makeup artists are our official "Glam Squad" and we are so very grateful for them. MEASURING TIPS

Always measure as close to the body as you can. Your dancer should be in a bodysuit or other close fitting dancewear.

Never use the girth measurement alone to size your dancer.

You will always get a superior fit if you take all measurements into account. If your dancer needs few extra inches in the girth or leg length - no problem, just ask us. We are happy to help!

BUST
Measure the fullest part of the chest.

WAIST
Measure the smallest part of the mid section.

HIP
Measure around the fullest part of the hip line.

GIRTH
Secure tape measure at the shoulder, take the tape down the body, through the legs and back up to the same shoulder point at the back. Once your tape has met the start point, press tape into the small of the back — a sway back can add several inches to the girth measurement.

OUTSEAM
Measure from waistline to floor, without shoes.

Still not comfortable measuring?

We do offer sizing kits. Each kits contains one bodysuit in each of our 20 sizes. Please give us a call if you would like more information.
