2025 THE PERFORMANCE COLLECTION

Have you stepped into The Spotlight yet?

Last year, we introduced you to our newest collection...The Spotlight Collection and your response was amazing! This year, The Spotlight Collection has grown into its own book!

Spotlight Collection costumes are as beautifully detailed as the Performance Collection, which makes them great for competitive groups, solos and duets, as well as those special performance pieces. Whether you are looking for cute and sparkly, with super bouncy crinolines for your youngest competitors or beautiful bodysuits that make a perfect canvas for all your rhinestoning and appliques, we have got you covered.

What makes them different from the Performance Collection is that they are an in stock collection! That means there are no minimums (think solos and duets) and no back orders. If you see a design you like and they have not been produced yet, you can pre-order exactly the sizes you want. They are made right here in our Mississauga facility, just like all of our other costumes. Here is the thing...we make them once and once they are made, there are no more. Production runs on these costumes can range from 25 - 250 of each style, so if you see something you like...you will want to secure them quickly.

Based on choreographer's feedback, we have also added some separates to the collection, so that you can create your own unique looks. We have also added some vests and pants to help coordinate your male dancers easily.

We invite you to make this the year, you step into The Spotlight!

DANCERS

Cover Model

My Name is **Brooke Brown** and I am a 16 year old dancer from Georgetown Ontario. Most of my time is spent with my second family at Strictly Dance. I have been dancing there since I was three, and ever since the Covid pandemic, my passion for dance has grown substantially. I especially enjoy Contemporary Dance as it allows me to express emotions that can be difficult to communicate with words. I also have a passion for Musical Theatre, because it helps me stay in touch with my silly and energetic personality. In September, I will be starting grade 11 at Christ the King Secondary School. This is my third year modelling for Jazzmatazz, and I am extremely excited for this amazing opportunity!

JAZZAMATAZZ
DANCE COSTUMES BY DESIGN

MEASURING TIPS

Always measure as close to the body as you can. Your dancer should be in a bodysuit or other close fitting dancewear.

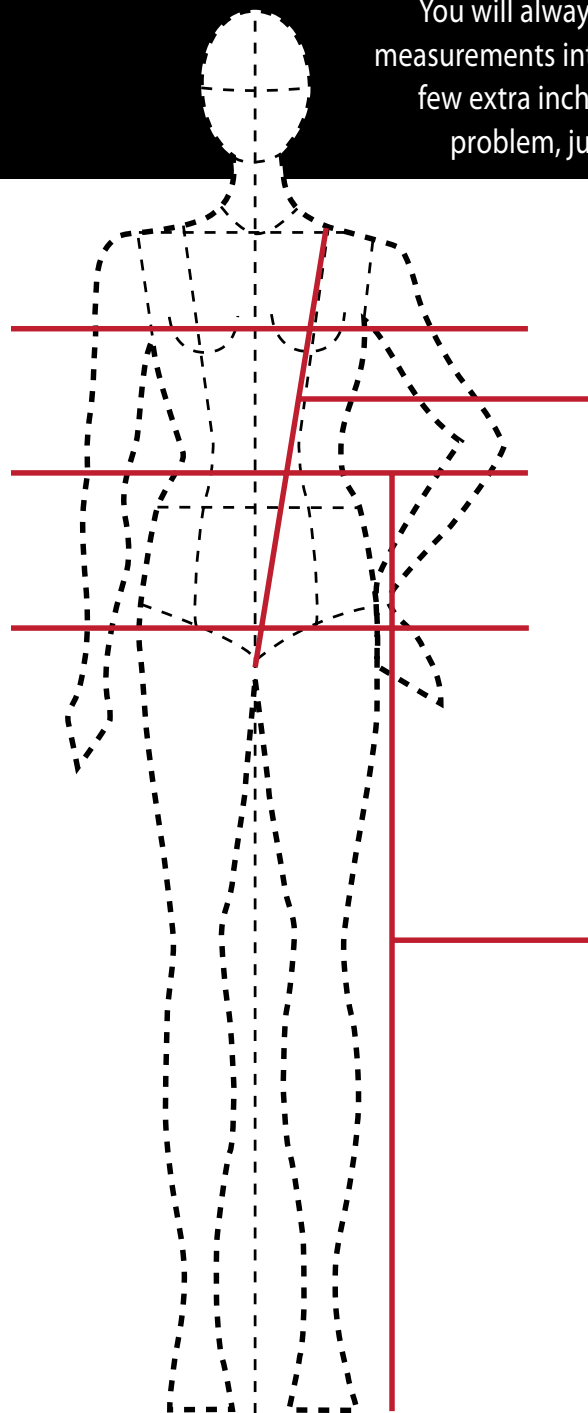

Never use the girth measurement alone to size your dancer.

You will always get a superior fit if you take all measurements into account. If your dancer needs few extra inches in the girth or leg length - no problem, just ask us. We are happy to help!

BUST
Measure the fullest part of the chest.

WAIST
Measure the smallest part of the mid section.

HIP
Measure around the fullest part of the hip line.

GIRTH
Secure tape measure at the shoulder, take the tape down the body, through the legs and back up to the same shoulder point at the back. Once your tape has met the start point, press tape into the small of the back — a sway back can add several inches to the girth measurement.

OUTSEAM
Measure from waistline to floor, without shoes.

CHILDREN'S SIZES - GIRL/BOY/UNISEX

	BUST	WAIST	HIP	GIRTH	OUTSEAM

Please order the size that includes the majority of your dancer's measurements. If you have a tall dancer, you can add inches to the girth or leg length for a small upcharge.

A WORD ABOUT OUR PLUS SIZE PROGRAM

This is a specialized program for children with broader dimensions to ensure a great fitting costume, whatever the body type, for a small upcharge in the Performance Collection only.. It is not for children who need extra length in girth. Please do order carefully - we will no longer offer exchanges in our plus size program.

ORDERING INFORMATION

ORDERS WILL BE ACCEPTED ON OUR TWO-PART ORDER FORM ONLY

- Please DO NOT send us your internal documents.
- If you need extra order forms, they can be accessed on our website.
- Orders are processed more quickly when you have filled out all information requested.
- Leaving blank fields will delay the processing of your order, resulting in longer wait times.

YOU WILL RECEIVE AN ORDER CONFIRMATION

Please review it CAREFULLY to ensure that there has been no misinterpretation on our end or on yours. You will need to approve the order confirmation before we can place your order into our production schedule and guarantee a ship date.

PLEASE BE AWARE... Your order confirmation becomes the work order on our end, and we will produce what is on the order confirmation for you.

ALL COSTUME COMPANIES FIT DIFFERENTLY

- Do use the Jazzamatazz sizing guide to ensure a Jazzamatazz fit.
- We offer 20 sizes in all our costumes to ensure a great fit.

A FEW TIPS FOR A GREAT FIT...

- Lycra bodysuits will generally accommodate a few extra inches and should not be sized up.
- **PLUS SIZES** are designed for dancers who have round proportions, not long girths.

If you have a dancer who is several inches taller in girth or leg length, we can accommodate the tall designation and charge a \$10 fee for each tall Performance Collection garment. Please use a separate line on your order form and indicate how many inches you need to add to the girth and/or limbs.

Your Performance Collection Costumes are made specifically for you and are therefore not eligible for exchange, except in the event of manufacturer's defect.

We will accommodate exchanges within the Express Collection and Spotlight Collection where available, when requested in a timely manner. Costumes must not be worn or altered in any way.

WE DO NOT ACCEPT returns of your extra or unclaimed costumes once they have been shipped.

BALANCES ARE DUE PRIOR TO SHIPPING OR PICK UP.

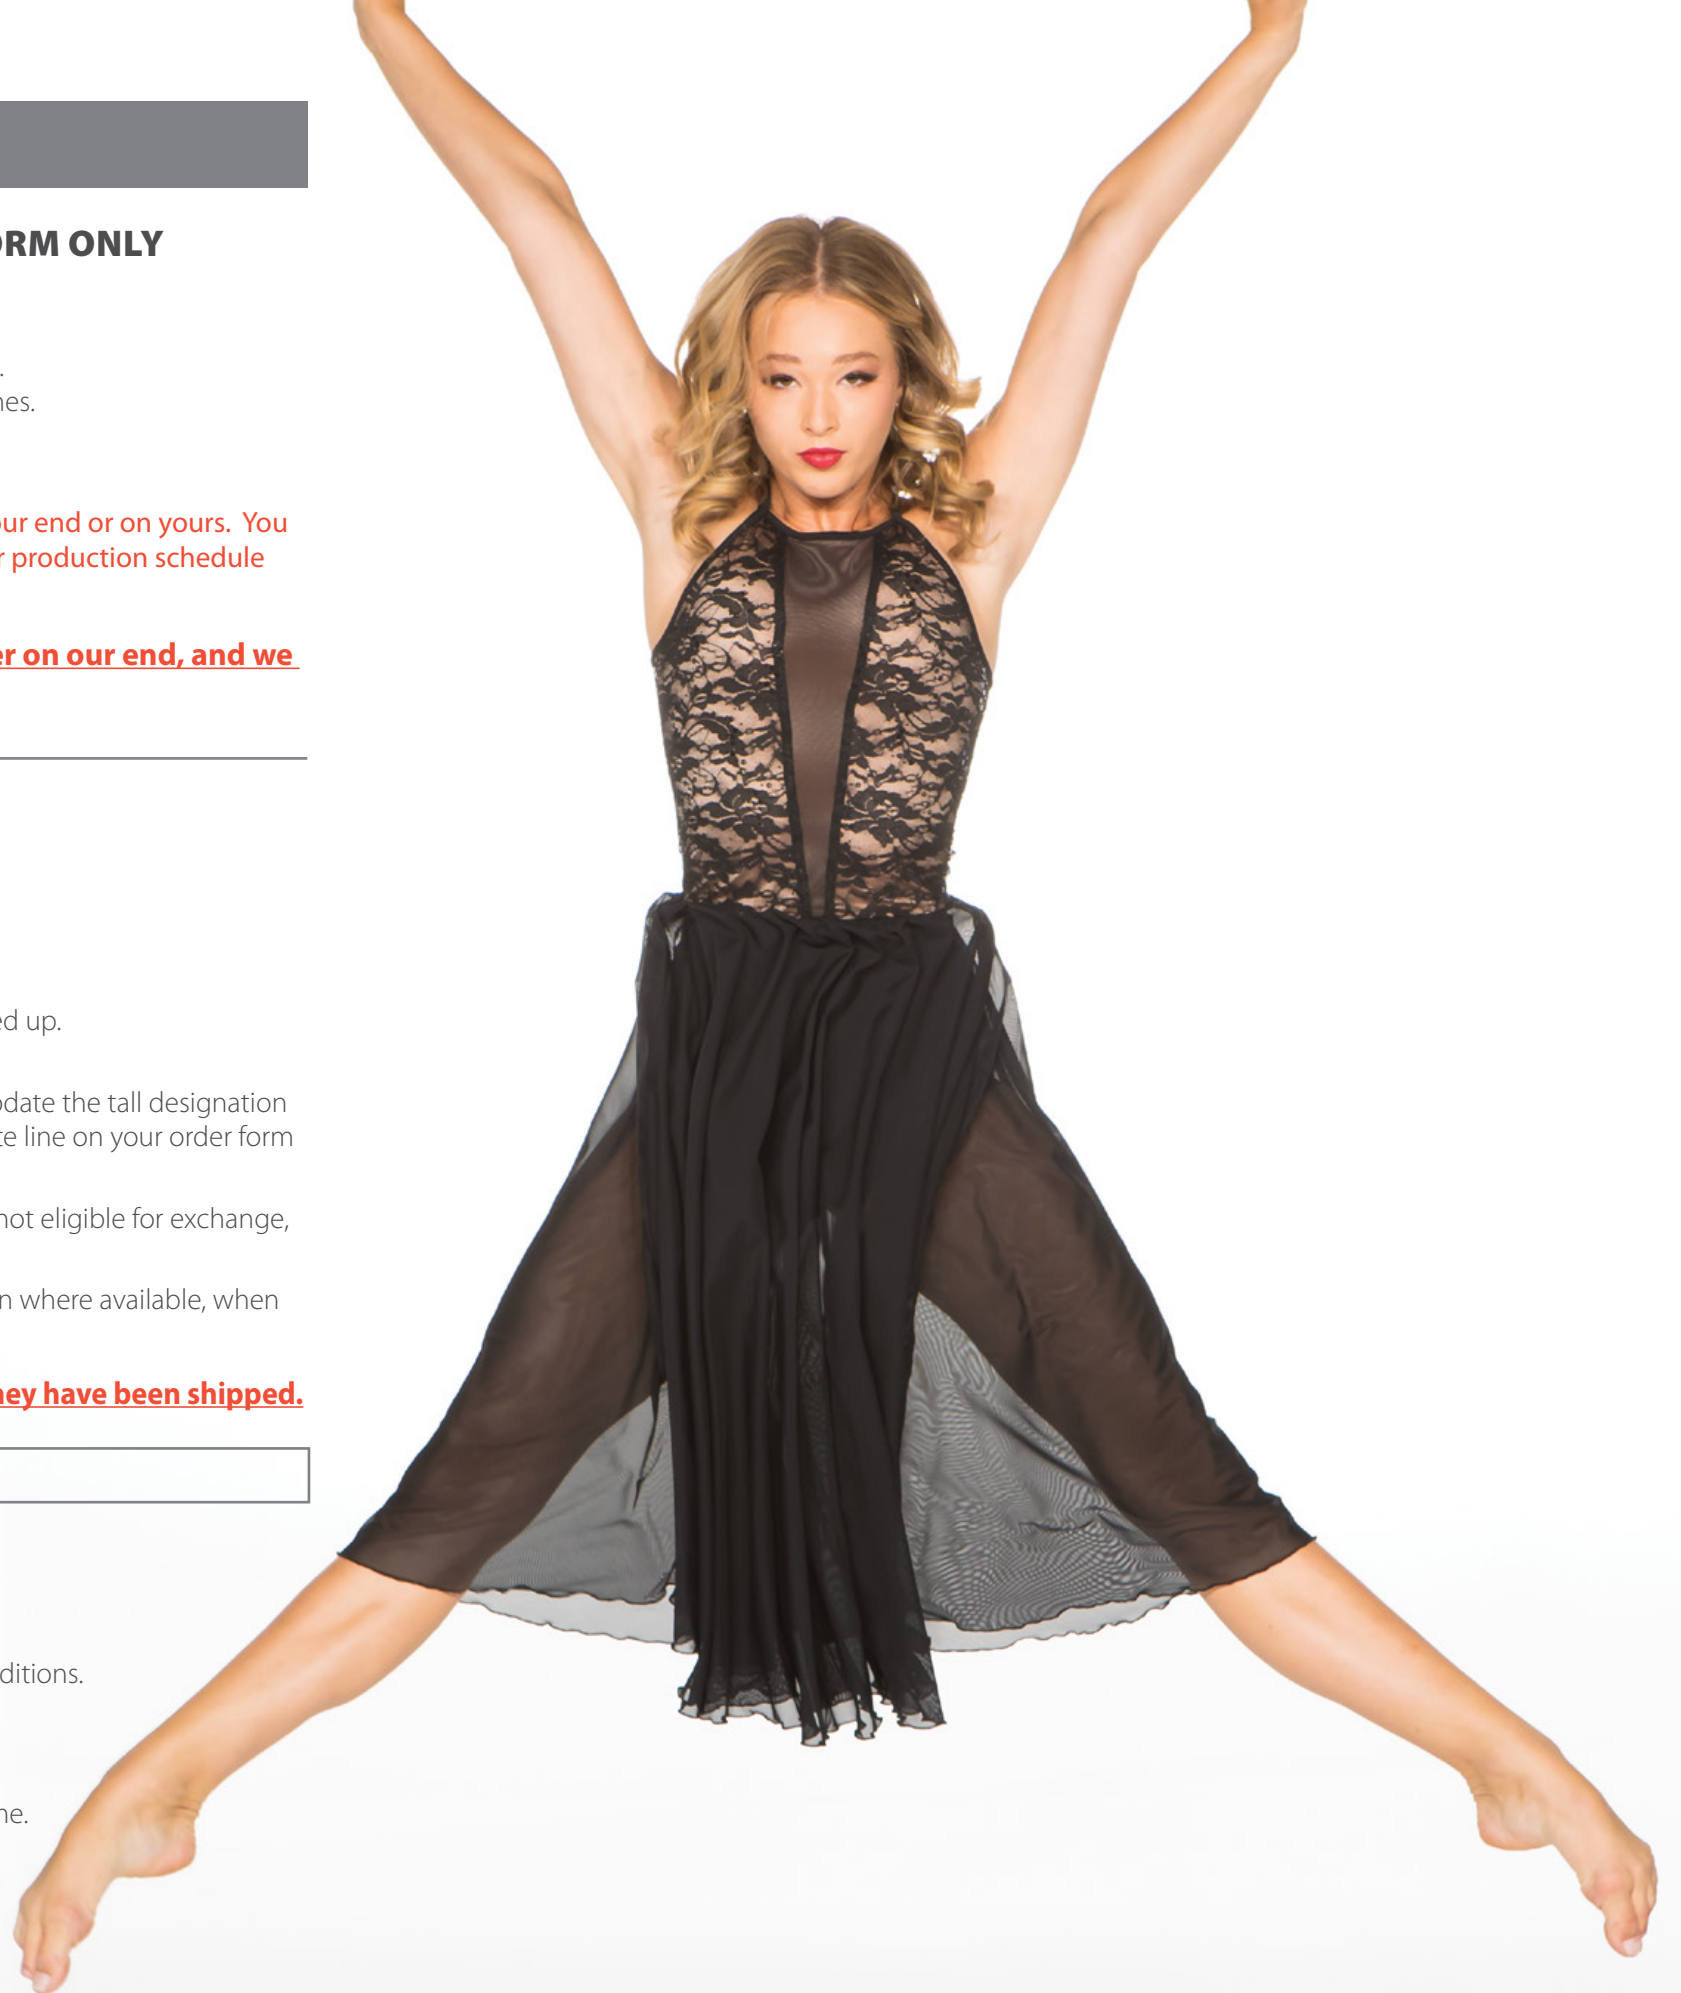

WE CHARGE A FLAT FEE FOR SHIPPING

- We charge 3% of your order (or a \$25 minimum) within Ontario.
- We charge 4% of your order (or a \$35. Minimum) outside of Ontario.
- Please allow 5-10 days for the transport of your order, depending on distance and conditions.
- Orders shipping to a PO Box can only ship Canada Post.
- There is no ship charge for studios who choose to pick up from our facility.

PRODUCTION TIMES vary throughout the year, according to production volume.
