THE SPOTLIGHT COLLECTION

The Spotlight Collection is a group of Performance style costumes, many of which are in stock and ready to ship. There are no minimums on this collection, so it is a great option for groups, as well as solos, duets and trios.

The Spotlight Collection is made in our Mississauga, Ontario facility, in accordance with our **100% Made in Canada** commitment.

The Spotlight Collection is produced in batches of 100-250. With some exceptions, once they have been made, no backorders are accepted. If they haven't been made, you can pre-order any quantities and sizes you desire... another great reason to order early!

New inventory is being added on a regular basis, so check back often to see the status of the group, duet or solo you love! These are great designs that won't be around forever. Once they are gone, they are gone.

We invite you to step into The Spotlight!

MEASURING TIPS

Always measure as close to the body as you can. Your dancer should be in a bodysuit or other close fitting dancewear.

A WORD ABOUT SIZING

NEVER USE THE GIRTH MEASUREMENT ALONE TO SIZE YOUR DANCER.

BUST
Measure the fullest part of the chest.

WAIST
Measure the smallest part of the mid section.

HIP
Measure around the fullest part of the hip line.

GIRTH
Secure tape measure at the shoulder, take the tape down the body, through the legs and back up to the same shoulder point at the back. Once your tape has met the start point, press tape into the small of the back — a sway back can add several inches to the girth measurement.

OUTSEAM
Measure from waistline to floor, without shoes.
