JAZZAMATAZZ

2027 THE PERFORMANCE COLLECTION

Proudly made in Canada for 37 years

The Spotlight Collection is the perfect compliment to the Performance Collection

Spotlight Collection costumes are as beautifully detailed as the Performance Collection, which makes them perfect for Competitive groups, solos, duets and trios. Many of you even used them for special year end numbers as well. You may even spot some crossover designs from Performance to Spotlight.

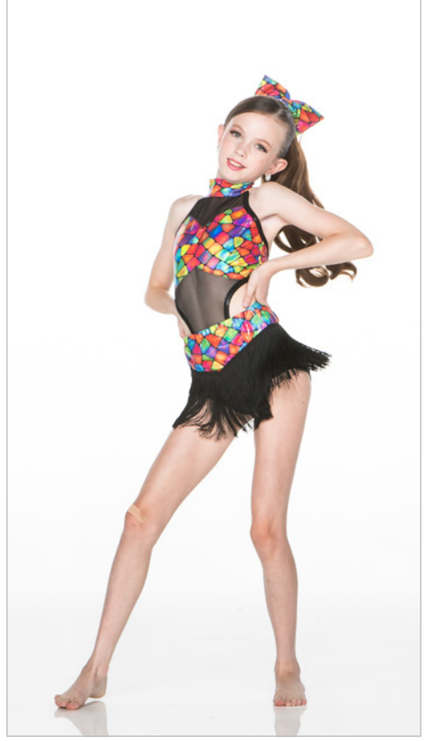

Whether you are looking for cute and sparkly with super bouncy crinolines for your Minis or beautiful bodysuits and dresses that act a perfect and well fitting canvas for your creative embellishments, we have you covered.

Thousands of the Spotlight Collection costumes are already in stock (we make them in our slower season so they are waiting for you when you are ready). There are no minimums, so you can use them for solos and duets, as well as groups. We have even added some boys to the mix.

If you see a design you love, and it is on pre-order status, you can order whatever sizes you need. Once they have been produced, what we have is what we have. We make them in smaller batches...between 100-250 of each style, and once they are gone - they are gone.

We invite you to make this the year, you step into The Spotlight!

DANCE COSTUMES BY DESIGN

MEASURING TIPS

Always measure as close to the body as you can. Your dancer should be in a bodysuit or other close fitting dancewear.

Never use the girth measurement alone to size your dancer.

You will always get a superior fit if you take all measurements into account. If your dancer needs few extra inches in the girth or leg length - no problem, just ask us. We are happy to help!

BUST
Measure the fullest part of the chest.

WAIST
Measure the smallest part of the mid section.

HIP
Measure around the fullest part of the hip line.

GIRTH
Secure tape measure at the shoulder, take the tape down the body, through the legs and back up to the same shoulder point at the back. Once your tape has met the start point, press tape into the small of the back — a sway back can add several inches to the girth measurement.

OUTSEAM
Measure from waistline to floor, without shoes.

A WORD ABOUT OUR PLUS SIZE PROGRAM

This is a specialized program for children with broader dimensions to ensure a great fitting costume, whatever the body type, for a small upcharge in the Performance Collection only.. It is not for children who need extra length in girth. Please do order carefully - we will no longer offer exchanges in our plus size program.
